Secretary, American Medical Association

Dear Dr. Lull:

The enclosed copies of letters to Dr. Fishbein are self-explanatory. For years all such communications have stopped at the level of the Secretary of the American Medical Association. I hope that you will see fit to allow the matter to be brought before the House of Delegates, for I believe they as a group will feel that the present position as regards Negro physicians is an unjustifiable one.

Very sincerely yours,

Charles R. Drew, M. D.
Professor of Surgery
